

School Nursing:
Orient, Renew and Review
Preparing and Improving Your Practice

This multiday conference is sponsored by the Missouri Association of School Nurses in cooperation with the Missouri Department of Health and Senior Services.

Purpose: To promote and improve effectiveness in this specialty practice by providing key skills, knowledge and tools to initiate, revitalize and sustain quality school health services. An extensive 350+ page manual will be provided to each participant.

When: September 23 - 25, 2010

Where: Tan-Tar-A Resort, Osage Beach, MO

Topics include: **Professional Issues** including delegation and standards of school nursing practice; new **immunization requirements** and how to improve compliance; **communicable disease control** and how to initiate a school-site vaccination program; **medication administration** including discussion about safe delegation; the ins and outs of **special education and 504** and the school nurse's role; **asthma, diabetes and seizures** including hands-on demonstration of equipment and supplies needed for best management; **child/abuse and neglect** when and how to report; and **screening programs**, hands-on demonstration of various **vision** equipment for mandatory screenings and review of MO State Vision Commission Report; **Hearing** screening and physical exam of the ear, and much more...

Who Should Attend?

New school nurses, nearly new school nurses and those with experience that desire to improve their standard of school nursing practice. Formerly known as School Nursing: An Orientation to Practice; this conference has been expanded to meet the needs of all school nurses whether new or seasoned.
