## ShowMeVax: A little history...

- ShowMeVax (SMV) replaces HmClient as the Missouri Immunization Registry.
- The development of SMV began in July 2008 and was brought into production in December 2009. Pilot testing began in February 2010.
- HmClient users were trained and converted to SMV in June, July, September and October 2010.
- Implementation continues for existing and new users in 2011. To date for 2011, 210 school districts and similar organizations have been converted.
